

Picnic Table

Mangawhai Library Hall

The Mangawhai Lions were approached by the Library Hall Committee to see if we could get a picnic table at the Library Hall to seat parents waiting for the walking school bus and also diners for the on-site food carts. We were successful in receiving a MELA grant from Kaipara District Council, along with donations from Mangawhai Lions and the Library Hall committee and were pleased to get the project completed in November 2025.
